# Slim Line Case Company

Slim Line Case Company has been serving the leather goods industry with our hand-crafted products now for over 90 years. All of our badge cases, wallets and holders are made here in the USA using the highest quality leather and materials. We are best known for our top quality products and caring customer service. We take pride in making badge cases for local, state and federal agencies such as Homeland Security, Department of Defense, and New York State Police. We provide over a thousand badge cutouts to law officials to custom fit their badge with exact cutouts. That's the Slim Line Difference!
